

INGREDIENTS LIST

England, Scotland and Wales

At PizzaExpress your lifestyle choices and dietary requirements are just as important to us as they are to you or someone you care about. We understand that people may want to avoid more than the 14 regulated allergens required as part of the EU Food Information Regulation hence, since 2014, we have declared 14 allergens and 8 additional ingredients within our *Allergen Information* guide.

The guide below shows every single ingredient within our much-loved recipes in an effort to provide more clarity and better choices for everyone.

How to use this guide

Simply select the section of the menu you are interested in. All of our wonderful seasonal additions can be found at the end of this document.

Even if you have chosen an item previously, please make sure that you check this guide each time you visit us and always inform your waiter of your allergy, intolerance or dietary requirements when ordering.

There are times when some of our super popular ingredients may be out of stock and, it may be necessary to purchase additional stock locally. We have guidance in place for our team and all ingredients are purchased from reputable sources; however, ingredients may vary. Just ask and we will be able to advise.

This guide does not replace the *Allergen Information* guide, which can be found on our website, app, and in restaurants by scanning the QR code below, or by asking our team for the allergen folder.
